My name is Aisling (pronounced Ashling). I have practiced the gift of being a Psychic Medium for over twenty years. I live and work in the South Jersey/Philadelphia area. I was born and raised in Ireland and moved to The United States at the age of nineteen. In my early twenties I started training under my old friend and mentor Tom Halliwell. He taught a psychic development class at Camden County College for many years and I am blessed to have had him as a teacher.
